Important Questions		Answers		Mby This Matters:	
Important Questions	Tier 1	Tier 2	Tier 3	Why This Matters:	
What is the overall deductible?	\$2,000 / person \$4,000 / family	\$2,500 / person \$5,000 / family	\$6,000 / person \$12,000 / family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.	
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Preventive care</u> .			This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>co-insurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .	
Are there other deductibles for specific services?	No.			You don't have to meet <u>deductibles</u> for specific services.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$6,000 / person \$12,000 / family	\$6,750 / person \$13,500 / family	\$12,500 / person \$25,000 /family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.	
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance billing, health care this plan doesn't cover, and penalties for failure to meet certain plan requirements.			Even though you pay these expenses, they don't count toward the out-of-pocket limit.	
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://www.medcost.com">www.medcost.com</a> or call 1-800-795-1023 for a list of <a href="https://medcost.com">network</a> <a href="https://providers">providers</a>		23 for a list of <u>network</u>	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.	
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No			You can see the specialist you choose without a referral.
